## ABOUT US

# YOUR TRUSTED PARTNER FOR OVER 35 YEARS

Valley Construction Supply has been a cornerstone of the Pacific Northwest's construction industry for over 35 years. Founded in 1982 by Cliff Beatty, our company was built on the principles of honesty, dedication, and leadership. Today, Valley Construction Supply remains family-owned and operated by Cliff's son, Mark Beatty, who continues to uphold the same values that have made us a trusted name in the industry. From the beginning, our primary goal has been to provide the region's contractors with a reliable source for building materials at competitive prices. With nearly four decades of experience, we have developed a deep understanding of the unique needs and challenges faced by contractors in the Pacific Northwest.

In addition to providing top-quality building materials, we also understand the importance of connecting our customers with reliable, skilled contractors. Our vetted network of foundation, excavation, and framing
